

The WaterPress range of stacking systems combines all the plate making process steps into one machine and is specifically designed for all types of water washable letterpress plates.

Ideally suited to the lower volume plate making operation where space is limited and cost effectiveness is demanded, this range is perfectly suited to customers using limited gauges of letterpress plate material.

All units have downward facing orbital rotation wash heads, one exposure drawer, 2 dryer drawers in the A4, 3 dryer drawers in the A1, A2 and A3, and feature a 9 channel PLC controller for each separate function of the unit.

## WATERPRESS SPECIFICATIONS

	<b>A4</b>	<b>A3</b>	<b>A2</b>	<b>A1</b>
MAXIMUM PLATE SIZE	270 x 370mm	370 x 520 mm	530 x 760mm	710 x 890mm
EXPOSURE LAMPS UVA	10 x 20W	9 x 40W	14 x 40W	14 x 40W
WASH TANK CAPACITY	20 litres	27 litres	50 litres	110 litres
BATH & DRYER TEMP.	Water Bath: 20~50°C / Dryer: <65°C
