

The HEIGHTS SU Compact Stackers are of robust construction by design and are recommended for customers with medium to heavy throughput.

The unique design enables the product to be supplied to both B2 (4 page) and B1 (8 page) markets.

The Compact Design will also suit customers with B1 output in Portrait as well as Landscape.

The SU Compact stackers are able to cope with productivity of up to 75 B1 plates per hour.

PLATE LINE AUTOMATION

SU COMPACT STACKER
